Real Estate and Structured Finance Expertise

Andrew F. Lampert specializes in representing clients in all types of real estate and [structured finance transactions](#) including the following:

- Loan originations, including bridge, conduit, construction, and mezzanine loans, and loan workouts, restructurings, and foreclosures.
- Acquisitions and dispositions of retail, multi-family residential, office, industrial and health care properties (which have included transactions structured as transfers of membership or partnership interests, joint ventures, and contributions of preferred equity).
- Development of store parcels on behalf of “big box” retailers including the drafting and negotiation of purchase agreements, ground leases, development agreements, common area maintenance agreements, and reciprocal easement agreements.
- Company-wide secured and unsecured credit facilities.
- Leasing of commercial, industrial, and office space.
