Awards and Recognition • May 8, 2026

We are proud to share that five [attorneys](#) from Federman Steifman LLP have once again been recognized in the 2026 edition of [Super Lawyers](#), a distinction honoring attorneys who have achieved a high degree of peer recognition and professional accomplishment.

[Peter J. Mannarino](#) and [Lee D. Edelson](#) were selected to the New York Super Lawyers list, while [Jennifer Dalli](#) and [Jesse Kantor](#) were again recognized as Rising Stars. [Brett Hoffman](#) was also selected to the Rising Stars list, marking his first year receiving the distinction.

The Super Lawyers and Rising Stars lists are determined through a rigorous selection process that includes independent research, peer nominations, and peer evaluations. No more than 5% of attorneys in each state are named to the Super Lawyers list, and no more than 2.5% are selected as Rising Stars.

We are grateful to see our attorneys recognized once again for their dedication to thoughtful counsel, strong client relationships, and continued commitment to excellence. Congratulations to each of them on this well-earned honor.
